

GATE KEY INITIATIVE

Gate Key Initiative is a platform designed to Empower and Inform our under privileged youth; the goal is to educate those that are less fortunate when it comes to continuing education and building a successful career path on the road to becoming great Citizens, Professionals, Business Owners, Dreamers and Entrepreneurs. We perform this noble act by donating copies of "**Gate Key: Turning Your High School Education into Millions**" to community youth centers, Homeless Shelters, Poverty stricken schools, Radio Shows, Television Shows, Juvenile Detention Centers, Halfway Houses, Prisons, Libraries, etc.

Donors are allowed to purchase a minimum of 10 copies of *Gate Key* in the form of Paperback, Hardcover or Text Book at wholesale cost directly from Publisher to be drop shipped to any entity of their choice. Donor may also choose to have books delivered in their name or anonymous. If you would like to join the initiative please contact Gia via Gia@printhousebooks.com and let her know how many copies you want to purchase and where you want them delivered. If you would like to speak with the Author of Gate Key, please let her know as well and she can arrange. *UPS Tacking number provided so you can monitor your shipment. A synopsis of Gate Key is below.*

Synopsis:

Gate Key: Turning your High School Education into Millions attacks the glue that holds the very fabric of the higher learning institutions together. It gives hope to teens that find themselves in despair. It creates opportunity for those in lower class society who seem

to be destined for a life of poverty and unemployment. It turns that one way street to becoming a criminal into an 8-lane highway of self-preservation. Gate Key will not only spark the flame to ignite the inner fire that we call a dream. It reveals over 30 lucrative professions that can be started while in high school or immediately after which will place our youth on a road to success without the need for a college education.

The awful truth is that only 4 out of every 7 teenagers will go on to attend college after graduating high school and for many reasons some will not complete this journey. Everyone wants the American dream for their kids; they want them to get a degree, find a great job, get married and have children, buy a house with a white picket fence then live happily ever after. Here's a shocker! The American dream will be just that for many of our youth, a dream! Too often teens can't afford college, have no interest in going, did not prepare for it, have kids early or are undecided any one of which causes them not to attend college and to head straight into the sub-par job market. Minimum wage can barely pay utility bills let alone take care of a family; this, more times than not, places our kids in the lowest class of society (in reference to a three-tier society of Lower Class, Middle Class or the Upper Class). This book gives our youth a choice as to what class they want to end up in, how much income they want to earn and how to begin that journey while still in high school without getting any student loans or attending any college. It will put our youth on track to become prosperous entrepreneurs and professionals by making them aware of career choices that they probably didn't even know existed for them as teens.

Gate Key doesn't only make our youth aware of these opportunities, but will show when, where and how to start one of these featured career paths while still a teen. This book is designed to open doors for those that cannot or will not be attending college after high school for some reason or another. Even now you have the power in you to be whoever you want to be! My purpose is to open your eyes to some of the many options that the world has to offer. After all, it was said best by our forefathers in *The Declaration of Independence*:

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness"
