

ANTWAN 'ANT' BANK\$

In book 2 of The Cover Girl Series; Malakhi ventures on an on location shoot, with the Sexy Chocolate, Video Vixen; Lola Love. Her enticing aura almost proves to be too much for the A List Photographer but in true Malakhi fashion; he prevails. The two meet up, downtown on Peachtree street Atlanta; at one of the Cities five star hotels.

Together, they will create magic for the camera and hot lustful memories in their Jacuzzi Suite. They say a picture is worth a thousand words but only the photographer and the model knows; what exactly goes on, between those poses.

Wow I love the ending to this book! Can't wait for episode 3!
